REVERSE TRANSFER ID CARD PRINTER
FOR EXCEPTIONAL PRINT QUALITY

Prima 3

The Prima 3 uses reverse-transfer printing technology. Images are printed onto a thin retransfer film in a "reverse image" and heat transferred onto the card. The quality of the finished card is comparable to off-set litho printing, but with the advantage that every card can be different.

- In-line laminator option
- Built-in USB and Ethernet connection
- Large capacity card stock drawer
- Magnetic stripe, Barcode, Contact & Contactless encoding options
- 3 Year Warranty: Full three year UltraCoverPlus™ warranty including printhead replacement and free printer loan service
- Superb print quality

Standard Package Includes:

\$826 worth of Accessories & Consumables FREE

- ID Card Making Software
- Colour Printer Ribbon (350 prints)
- Cleaning Kit
- 300 x PVC Blank Cards
- 12 months Gold Support package

Value Plus Package Includes:

\$1445 worth of Accessories & Consumables FREE

- ID Card Making Software
- 3 x Colour Printer Ribbon (1050 prints)
- Cleaning Kit
- 1000 x PVC Blank Cards
- 12 months Gold Support package
